

## Senior Java Software Developer (m/f)

Location: Munich

Are you passionate about technology and the disruption of the financial industry? We at CRX Markets are constantly seeking creative thinkers. We are offering the possibility to step up your professional development through hands-on experience in a state-of-the-art FinTech environment. Our platform is built for the cloud ensuring high scalability and resilience, and integrates with external systems via heavy duty middleware. We've already attracted some of the largest multinational corporates, but to stay ahead of the game we need to further drive innovation and are therefore looking for the best talents to join our team.

### Your Role

- ▶ Implement new features and enhance the existing platform using advanced software development practices and methodologies
- ▶ Participate in the requirement elicitation process to identify requirements, gaps/issues (both functional and non-functional)
- ▶ Collaborate with other teams at CRX to identify and resolve production issues
- ▶ Perform high- and low-level design, provide pseudo codes, implement prototypes, do reviews
- ▶ Support and mentor junior team members to enhance overall team performance

### Your Profile

- ▶ Excellent programming aptitude, ability for logical and abstract thinking
- ▶ Team player with a focus on delivering exceptional results in a fast-paced company
- ▶ Expert in development of enterprise applications on Spring or Java EE stack:
  - ▶ Frameworks (DI, Security, Web, etc.)
  - ▶ JPA, relational databases and NoSQL
  - ▶ Webservices (SOAP, REST)
  - ▶ Messaging (JMS, Kafka, etc.)
  - ▶ Architectural patterns like microservices, message queues, integration
- ▶ Proficiency with JavaScript frameworks a plus

Although this is a Senior Java developer role, Java developers of all levels will be considered due to multiple openings in this area. The same holds for profiles that do not match the specific technology stack, but convince in terms of talent, motivation and commitment.

### Our Offer

This position provides the opportunity to be part of a great team in a high-paced FinTech environment. You get the unique chance to push your career by gaining first-hand business experience from a network of the most innovative and capable minds in the German finance industry. While aligning CRX's long-term goals with our employees' compensation, we offer an attractive package with several perks and benefits, including a share option program.

Are you up for the challenge? Please upload your documents including CV, cover letter, salary expectations and your earliest possible starting date using our [online application form](#).
