

DevOps Engineer (m/f)

Location: Munich

Are you passionate about latest technologies for delivering software products, while meeting the strict requirements of the financial industry? Do you enjoy working in a cross-functional environment towards delivering maximum added value for the customers and the company? Are you constantly looking to streamline and automate your daily tasks as well as overall team processes? CRX Markets offers the possibility to step up your professional skills through hands-on experience in a state-of-the-art FinTech environment. Our platform is built for the cloud ensuring high scalability and resilience, and integrates with external systems via heavy duty middleware. CRX Markets has already attracted some of the largest multinational corporates, but to stay ahead of the game we need to further drive innovation and are therefore looking for the best talents to join our team.

Your Role

- ▶ Be part of the core CRX IT team while delivering, monitoring and supporting our SaaS platform
- ▶ Work closely with software developers and testers
- ▶ Support software development and delivery processes for the CRX platform
- ▶ Pilot and deploy new technologies and approaches for SaaS delivery
- ▶ Ensure that company IT processes are conform to high standards of financial services business
- ▶ Help to support, monitor and improve company IT infrastructure

Your Profile

- ▶ Hands-on experience with building, deploying, monitoring, troubleshooting enterprise-level JVM-based software
- ▶ Hands-on experience with virtualization, containerization and orchestration
- ▶ Solid understanding of security, networking and cloud technologies
- ▶ Hands-on experience with automation, configuration management tools and scripting
- ▶ Experience with IT process standardization and certification is a plus
- ▶ Self-organized, commitment to continuous improvement, value delivery for team/customers
- ▶ Good English skills, ability to work in a team

Our Offer

This position provides the opportunity to be part of a great team in a fast-paced FinTech environment. You get the unique chance to push your career by gaining first-hand business experience from a network of the most innovative and capable minds in the German finance industry. While aligning CRX's long-term goals with our employees' compensation, we offer an attractive package with several perks and benefits, including a share option program.
