

## Operations Manager (m/f)

Location: Munich

We are a young FinTech company consisting of highly talented and motivated employees. To further extend our Operations team we are looking for like-minded and performance-oriented newcomers. As Operations Manager you will cooperate closely with several other departments at CRX, be involved in the growth of a young department and assure the continuity of the CRX Market place. In addition to the onboarding of new customers onto the CRX Portal, you will contact banks, institutional investors and service providers and secure a flawless execution of the CRX Portal. Within the scope of our Multi-Investor product, you will independently perform auctions and support the securities issue process. As the administrator of the CRX Portal, you acquire a most detailed insight into our product enabling you to implement own ideas and continuously improve the product.

### Your Role

- ▶ Onboard new customers onto the CRX Platform
- ▶ Execute auctions and settlements of securities
- ▶ Be the contact for banks, institutional investors and service providers
- ▶ Manage the CRX Markets SCF Platform
- ▶ Perform Reporting and data processing tasks
- ▶ Support for KYC and Anti-money-laundering audits
- ▶ Improve processes and further develop the department Client Operations

### Your Profile

- ▶ Degree in business/economics with a focus on treasury and financial markets
- ▶ 1-3 years of working experience in banking, financial services or a finance oriented department of a corporate company
- ▶ Experience with fixed income securities
- ▶ IT proficiency and very good knowledge of MS Excel
- ▶ Fluent in German and English
- ▶ The ability to rapidly take on new tasks
- ▶ Excellent analytical skills

### Our Offer

As Operations Manager you become part of the growth of a successful FinTech company. As a highly motivated employee you will fuel the development of the Client Operations department, be responsible for daily operations and implement process innovations. We offer attractive compensation and benefits which include an employee share option program.

Are you up for the challenge? Please upload your documents including CV, cover letter, salary expectations and your earliest possible starting date using our [online application form](#).
