

## Intern (m/f) Client Operations

Location: Munich

We are a young FinTech company consisting of highly talented and motivated employees. To further extend our Operations team we are looking for like-minded and performance-oriented newcomers. As Client Solutions Intern you will cooperate closely with several other departments at CRX, be involved in the growth of a young department and assure the continuity of the CRX Market place. In addition to the onboarding of new customers onto the CRX Portal, you will contact banks, institutional investors and service providers and secure a flawless execution of the CRX Portal. Within the scope of our Multi-Investor product, you will independently perform auctions and support the emission process of commercial paper. As the administrator of the CRX Portal, you acquire detailed insights into our product enabling you to implement own ideas and continuously improve the product.

### Your role

- ▶ Onboard new customers onto the CRX Platform
- ▶ Execute auctions and settlements of commercial papers
- ▶ Manage the CRX Markets SCF Platform
- ▶ Perform reporting and data processing task
- ▶ Support for KYC and Anti-money-laundering audits
- ▶ Improve processes and further develop the Client Operations department

### Your Profile

- ▶ Business/Economics student with interest in capital markets
- ▶ IT affinity, very good knowledge of MS Excel
- ▶ VBA and/or Python skills are advantageous
- ▶ Interested in fixed income commercial papers, treasury and financial markets
- ▶ Fluent in German and English
- ▶ The ability to rapidly take on new tasks
- ▶ A thorough and well-organized work ethic
- ▶ Excellent analytical skills
- ▶ Entrepreneurial mindset

### Our Offer

This position offers you the outstanding opportunity to become part of the growth of a successful FinTech company. As a highly motivated intern you will support the development of the Client Operations department and be responsible for daily operations. The position is vacant as of now, for the duration of at least three months.

Are you up for the challenge? Please upload your documents including CV, cover letter and your earliest possible starting date using our [online application form](#).
